Report of the Trustees of the Ingalls Memorial Library

FOR THE YEAR ENDING JANUARY 31, 1933

The Ingalls Memorial Library has affiliated with the American Library Association, an organization of libraries nation-wide. We expect to derive much benefit from our connection with the Association. Reading lists, notes on new books, information along educational lines, comments on the use of the library and much of general interest and information is sent out by the Association. These booklets and pamphlets will be placed on the reading-room table and it is hoped that the users of the Library will avail themselves of the opportunity to get up-to-date information along lines that interest them.

The teachers in the Rindge schools have co-operated with the Librarian to encourage reading among the children. The Librarian's report will tell in detail of the increased circulation and of the success of a story hour for the children, given by Miss Wilma Hale under the direction of the librarian, Miss Alice Morgan. The children have been using their reading-room in increasing number. Much interest has also been shown in the exhibits in the Library Museum, particularly in the bird collection.

The Trustees of the Library ask the town for the sum of \$500.00 for current expense and to continue the work of making the library service more efficient. This past year it was necessary to repair the ceiling in the stack-room because of damage done during a severe storm.

A number of books have been rebound, repaired and returned to circulation, but there are still a number of books that require rebinding and repairs. There have been eighty-eight (88) new books added to the Library. Of this number forty-eight (48) were the gifts of Mrs. A. M. Allen, Colonel Charles H. Cutler, Mr. Holmes, Miss A. L. Morgan, Mrs. E. L. Morgan, Miss Gertrude Trottier, and Mrs. George W. Wilder. Mrs. Charles Crosby contributed to the Children's Reading-Room, The American Boy's Magazine. The Trustees wish to thank the donors of these volumes. With our limited fund for the purchase of new books, such gifts are particularly pleasing.

Of the forty (40) new books added by purchase: twenty-eight (28) were for adults and twelve (12) juveniles. A number of the books in each classification being non-fiction, biographies, political, scientific and poetry volumes; thus widening the field of reading available.

The Trustees wish to thank Mr. Clarence Danforth for his kindness in transporting books from the library to East Rindge. We also wish to thank and express our appreciation for the efficient service and care of our librarian, Miss Alice Morgan; and our janitor, Mr. Frederick Barrett.

All those connected with the library extend a hearty "Welcome Home" to our esteemed fellow-trustee, Miss Mary Lee Ware, on her return from her travels abroad.

Exchange of books with West Rindge Branch Library:

Borrowed	56
Loaned	15

Largest number of books and magazines loaned on any one day was 62, on Oct. 26, and Jan. 11.

The librarian is gratified to note by comparison with last year's report a 50% increase in circulation.

We are also glad to have been able to observe in a small way the spirit of the Washington Bicentennial celebrated through the year 1932. Two new pictures were hung on the library walls, one a portrait of George Washington, given by the Federal government and framed by the trustees; the other a large colorful picture, depicting the Surrender of Lord Cornwallis at Yorktown, loaned by a citizen and hung under the library clock. Two new books on the life of Washington were included in the year's purchase, Owen Wister's *Seven Ages of Washington*, and *Boy's Life of Washington* by Helen Nicolay. The librarian has also had the material about Washington collected and placed in a prominent place on the exchange desk, where it has been frequently consulted and used.

During the year a new feature was introduced in the form of a story hour for children from five to twelve years of age. This was given once a week from April until September, Miss Wilma Hale telling the story, and was most heartily enjoyed by all the children. At least twenty boys and girls availed themselves of the opportunity at various times, the average attendance being seven. During the months from March to September, Miss Hale assisted the librarian as pupil worker.

Through an arrangement made between the librarian and the school teachers at the Center, the library has been opened a half hour earlier on Wednesdays and the children have been permitted to go to the library during school hours. This has given the privilege of borrowing books to many living at a distance and who otherwise had no opportunity of visiting the library because of the bus leaving shortly after the close of school.

The librarian would like to take this opportunity to ask the co-operation of parents in helping the children keep their books clean and in good order and to return them when due, thus helping us to obtain the maximum service from all books.

Respectfully submitted,

ALICE L. MORGAN

Memorial Day—the day hallowed by the sacrifices of the men who laid down their lives in our country's cause, passed with happy success in every item, ending with a Memorial Day gathering in the church, at which the Rev. Dr. Pease, of Fitchburg, Mass., delivered a remarkably fine address.

The graves were decorated by the children, but we missed the presence of the Civil War Veterans, the last of whom passed to his last long home a little before Decoration Day.

The Rindge Band furnished music for the procession and this kind service was very much appreciated. The procession was led by the Rindge Boy Scouts. The kind co-operation of the children, teachers of the schools and citizens in making the day a happy and memorable success was much appreciated by the committee and the selectmen of the town.

The committee wishes to express hearty thanks to all the friends who have in any way helped to make the day a fine achievement—to all who assisted in decorating the graves, made hoops for the wreaths, put out the flags, town officers, the Rindge Band, the Boy

Scouts, the Veterans of '61 and '17, Sons and Daughters of Veterans, the W. R. C., Legion Auxiliary, School Board, teachers, and children, chairman of the Memorial Day meeting, the orator, L. V. A., the L. A. S., and all others who have assisted in the great undertaking.

Report of Superintendent of Schools

To the School Board of Rindge:

I submit herewith my fifteenth annual report as superintendent of schools, it being the twenty-ninth in the series under union supervision.

At the opening of the school year 1932-33 there were three new teachers in the Rindge schools. Miss M. Helen Deal of Portsmouth, a graduate of the three year course at Keene Normal School succeeded Miss Alice E. Belcher.

Miss Hazel F. Connor of Henniker, a graduate of the two year elementary course at Keene Normal School, took charge of the Rindge Center primary school, succeeding Mrs. Martha R. Hale who served as substitute in this school during the last spring term.

Miss Martha A. Lord of Dunbarton, also a graduate of the two year elementary course at Keene Normal School, was elected to succeed Miss Gertrude Trottier.

Miss Hamblett returned as teacher of the Rindge Center Grammar school and Mrs. Stebbins was retained as supervisor of music.

The total enrollment of the Rindge schools for the fall term of the present school year was 105. For the same term a year ago the enrollment was 104, and for the entire school year 1931-32 it was 112.

The schools have been fortunate in retaining the services of Miss Margaret E. Harris as school nurse. Her careful check-up of the physical condition of the children has been of great benefit to the pupils. Considering the territory that Miss Harris has to cover each month she has given the Rindge children a great deal of attention.

In April of the last school year a tuberculosis clinic was held and in June a dental clinic was held with Miss Harris in attendance. At the present time a toxin-anti-toxin clinic is being arranged.

Very satisfactory work is being accomplished in all the Rindge schools this year. All the new teachers have adjusted themselves to their schools, and the pupils are making good progress.

The financial situation in Rindge is not materially different from that in other communities. This is a year when the school budget must be reduced wherever possible and the school board is trying in every way to meet the situation fairly.

In closing I wish to thank the school board and all citizens for their help and co-operation in the work in which we are engaged.

Very truly yours,

LEWIS S. RECORD
